If you are interested in developing your leadership and public speaking skills, enjoy working with people and would like the opportunity to travel throughout Washington, representing the Port Orchard Community, we invite you to participate in the Fathoms O' Fun Scholarship Program.

After the applications are received, an evening meeting with applicants, parents, and Fathoms O' Fun representatives will be held to answer questions and provide additional information.

Each contestant will be required to write and submit a double-spaced typed 500 word essay on their platform (*something they are passionate about*). This essay will be judged both for grammar and how the contestant delivers the speech orally before a panel of judges. The speech must be memorized and not exceed three minutes long. The final decision on the winner will be announced on competition night (the first weekend in March).

Each Contestant will be required to collect two (2) teacher or community recommendations.
